

LIVE SAFE PLAY SAFE

A life-skills course to protect children from HIV-infection

Facilitator's Guide

Chapter 5

“Do not train a child to learn by force or harshness; but direct them to it by what amuses their minds, so that you may be better able to discover with accuracy the peculiar bent of the genius of each.”

☞ Plato ☞

Support for this communication is provided by the Global Bureau of Health, U.S. Agency for International Development (USAID), under the terms of the CORE Initiative Award No. GPH-A-00-03-00001-00. The CORE Initiative is a USAID-funded global program whose mission is to support an inspired, effective and inclusive response to the causes and consequences of HIV/AIDS by strengthening the capacity of community and faith-based groups worldwide. Leading this initiative is CARE International in partnership with the World Council of Churches (WCC), International Center for Research on Women (ICRW), International HIV/AIDS Alliance, and the Johns Hopkins Bloomberg School of Public Health, Center for Communication Programs (CCP). The opinions expressed herein are those of the author(s) and do not necessarily reflect the views of the U.S. Agency for International Development.
